6. FEEDBACK FROM THE COMMUNITY

On Thursday, 26 March 2026, around 19:00, two (2) suspects (1 tall, 1 small) were walking on Joseph Bosman street, nearest corner Brandwag street at the back of the

Silverton High school. One of our CPA members saw them on their cameras. One of the suspect (long one got a long stick in his hand) walking on the sidewalk in front of her property.

Suddenly one of their cameras (mounted in to a tree in their property) screen went black. When they went out they saw that the camera had been stolen from the tree. Brinant and Extra secure where on the scene. They patrolled the area. The suspects where gone already. The member did report it to SAPS. Footage of the incident is available and they also have a case no from SAPS.

On 1 April 2026 the Silverberg Management (flats complex at the top of James drive above Pretoria Road) worked hard to clean up there street. The cleaning team picked up 20 black bags of trash only from Pretoria Road up to the mountain.
