2. HERITAGE DAY 2025 MBS MEYERSPARK SANCTUARY

The Blue Bridge Area has been neglected for years, not only by the Friends Group but also by Tshwane.

Since 2021, we have taken the initiative to conduct a thorough clean-up. 21 Squatters were removed at the time. We cut all the underbrush, cut the grass, and pruned the trees.

Since everything is safe and squatters have been removed, the residents started jogging and walking with their dogs in the park.

2025 is a huge heritage day organized by Friends of Skuilkrans Kopje. This turned out to be a successful event, and people got together from all over Tshwane. As a matter of fact, every weekend, hikes are arranged for anyone to join.

Again, Silverton intervened in a cleanup, and is still involved in a stable maintenance program sponsored by the residents and businesses in the area. Thanks to everybody involved.

Also, the CPA is playing a huge role/part to ensure the safety of all the people visiting the Blue Bride area. Our cameras, fences, and cleanup management complete the circle of success.

7. ACTION BY THE COMMUNITY

We are proud to share good news. Since 2019, we as the community have been battling to remove the squatters in Moreletta Street at the station (**Zone 5**). On 11 May 2025, Marietjie and Danie van Deventer emailed the Mayor and cc the Rekord as well as Media 24 and addressed all the areas neglected by Tshwane for months, and most of them for years.

Nevertheless, Tshwane ignored the email. No response at all. And then another email was sent to the Mayor on 9 September 2025 regarding the same issues, and they still ignored our emails.

And then on 11 September 2025, a **MIRACLE** happened. Tshwane did the final clean-up and removed all the squatters. We are grateful for their intervention. There are a few issues to sort out in Region 6. We discussed this and will work together to solve the problems in our area.

**Thanks to George Waste Management
Martin from TMPD.**

On 11 September 2025 at 00:24 a suspicious person with a wheelbarrow and bolt cutter was encountered on the cnr William and Brandwag street. Extra Secure and Brinant stood off and caught him. They did take him to SAPS Silverton because this was the second time today he said he bought the items. But SAPS took the items to their store and took the suspect to Mamelodi station, where he lives.

10. MEASURING

To measure small quantities of dry ingredients accurately with a measuring cup/spoon: The measuring cup/spoon should always be filled level to the brim.

A Pinch of salt is the amount of salt that a person can hold between two fingers.

A 500g block of butter/margarine can be divided quickly and accurately in equal parts by cutting it with a knife as shown below.

NB: 500g butter/margarine (shortening) = 500ml
 500ml = 2 x 250g, = 4 x 125g, = 8 x 62.5g, = 10 x 50g,
 = 20 x 25g
