## 2. FEEDBACK FROM SAPS

On Friday 18 September 2026, WO Nel and Sgt Seinsch from Silverton SAPS arranged a braai with the old and new incoming members of the group that dedicate their time and efforts to our community.

### 3. HIGH JACKING HOTSPOTS

The following are high-alert hijacking areas  
N4 Watermeyer, N4 Rossouw Street

Where suspects do not get an opportunity to hijack a vehicle, they may resort to smash-and-grab attacks, targeting: cellphones left visible on dashboards, handbags left on seats, and laptops and other valuables.

When you are driving during the day or night, please place your valuable items where it are not visible

#### 4. FEEDBACK FROM THE COMMUNITY

On 12 September 2026, the deputy head of the Silverton Primary School sent the following message: To all the security companies that assisted Silverton Primary School the past term in the evenings when the groups returned from the competitions. A big cheer and thanks from every staff member, parent and learner. We greatly appreciate that you stayed until the last person had left. They felt very safe. As well as Marietjie, who organised everything.

On Monday 28 September 2026, there was a storm with rain, wind and hail in the Silverton area. Many power lines were torn down by the wind. The entire area of Silverton was without power on Monday night and throughout Tuesday.

On Tuesday morning, 29 September 2026, the Koedoespoort substation exploded and caught fire, leaving the whole of Silverton, Meyerspark and Silverton Extension without power. The COT attempted to reroute the power to another substation, but this caused the Murray Field and Erasmus substations to explode as well, leaving a large area without electricity.

A large portion of Silverton's power was restored by Thursday 2<sup>nd</sup> October 2026, though by Sunday, 4 October 2026, a few households in Silverton were still without power.

Several parts of Murray Field and Meyerspark are still without power. COT is still busy installing a new substation in Erasmus Street (at Meyerspark Primary School) and Murray Field. On Sunday 4<sup>th</sup> October, the above-mentioned areas are still without power,

On Thursday 1<sup>st</sup> October 2026 evening, there was a motor vehicle accident on the corner of President and Brandwag Street. A drunk driver hit the lamp pole so hard that all the electric cables were damaged so bad that all the houses in that area have been without power for 2 days because of the accident

COT has been working on the above problem since Saturday 3<sup>rd</sup> October 2026, 9h00–18h30, to replace the pole and the cable.

## 5. **ILLEGAL DUMPING IN MORELETTA STREET**

Several times during 2026 COT, several residents of Silverton, Salvage Recycling, and Pretoria Clean up Forum (PCF) did clean up in Moreletta Street at the Station where illegal dumping took place on a regular basis. On 12 September 2026, another clean-up operation was organized. Thanks to Uitkyk and (Willempie as we call him) Afriforum, Buffelsfontein Weapons (Dykor Street) and George from COT organized the truck to clean the area. On 16 September 2026.

The Silverton Sparkling Clean-up group, sponsored by Uitkyk Meat and Supermarket as well as Salvage Recycling, finished the entire clean-up process.

On Friday 25 September 2026 at 13h00 COT cleaned-up the same side again. At 15h00 (2) two hours after the COT cleaned up the area, a white bakkie stopped at the site with three occupants and dropped off their rubbish/scrap in the area.

We as residents and businesses in the area have to make a plan and stand together to stop this illegal dumping in this area by residents/businesses.

The first footage are the COT arriving at the site

The second footage is of the white bakkie that did the illegal dumping. This footage was taken by the Silverton CPA cameras at Woodmerx.

When you see anybody doing illegal dumping in any area, do the right thing and report it to TMPD. A fine of R5 000 can be given for illegal dumping.

## **6. WATER LEAKAGE CORNER MORELETTA AND DE BOULEVARD STREET ZONE 5**

Since 2023 we as the Silverton Community are fighting a losing battle together with the COT to get proper service delivery in Silverton especially to repair the abovementioned water leakage/pothole.

Several times since 2023 different community members in Silverton reported the above-mentioned water leakage/pothole to COT. Reference numbers have been given to community members. Every time COT went to the site they only dump a heap of tar on to the water leakage/pothole. After a few days the water start leaking through the tar again.

As can be seen in the images, the entire area at the corner of Moreletta Street and De Boulevard Street is flooded, and new potholes/water leaks have formed in addition to the original water leak.

Residents fear the hole might turn into a “sinkhole” as it fills with water grows, and causes cracks.

## 5. **SECURITY COMPANIES**

Security Companies work hand in hand with the Community of Silverton. This is huge progress against crime in our area. We all need all of you, if possible, to assist these companies. Whether you sign up or only contribute to the NPO Account to fill up their tanks. What we have to realize is that these Companies cannot consistently assist without contributions to maintain the high standard of service delivery they currently provide, 24/7 daily.

Every year from July to October, Silverton Primary School is part of various schools that compete in Revue programs.

Revue programs. Normally, at the State Theatre. The school requests assistance for the safety of the pupils and their parents upon arrival late evenings back at the school.

Nevertheless, ALL THE SECURITY COMPANIES arrive when we call on them. No doubts, no excuses; they are just there. This is so amazing.

From our side, I can tell they are 100% dedicated and loyal to our Community, but can we say the same? Are we just as loyal to them as they are to us?

Therefore, we absolutely need you to contribute towards the NPO account. Contact Marietjie v Deventer (Admin on all groups regarding the Banking details. We do not publish these banking details on the group due to respect for the company that assisted us, and it is anyway against WhatsApp rules and standards.

Thanks to those still since we started this campaign regularly. We appreciate you.

Regards

Marietjie v Deventer, CPA Committee Member  
Group Admin on all groups.
